

**Welcome to West Mountain.** Family-owned and operated since 1961, West Mountain is a year-round destination for outdoor enthusiasts seeking convenience, affordability and adventure. Nestled at the foot of the Adirondack Mountains, between Lake George and Saratoga Springs, West Mountain was built by brothers Michel, Paul, and Claude Brandt. In the winter, West Mountain offers skiing and riding day or night, snow tubing, learn-to-lessons, ski and snowboard rentals, Montana tuning, after school and alpine ski racing programs. During the off-season, visit West Mountain's 5-acre Aerial Tree-Top Adventure Park or explore miles of downhill and cross country mountain biking trails. West Mountain also serves as a beautiful backdrop for weddings and special events all year round. Thank you for visiting West Mountain, and please enjoy your meal at the West Mtn Bar & Eatery.
